Edmonton Federation of Community Leagues
Community League Presidents

Dear Community League Partners,

This year's unique set of circumstances with Covid-19 have made it necessary for us to communicate changes to two of our summer program offerings within neighbourhood parks. These were announced publicly late yesterday after City Council's Emergency Advisory Committee meeting.

Summer Playground Program ("Green Shack")

The playground program (Green Shacks) will be suspended for this coming summer. We will be refunding all the community contributions so graciously offered - the support was much appreciated. In addition, those partners who were working with us to provide their hall access for this program, thank you so much. We look forward to next summer.

Registered Day Camps

Daycamps planned at Community League and School partner sites will not be offered this summer. We are looking at day camp options at city facilities to determine whether they can operate safely within provincial guidelines. Thank you to the leagues that were providing their community halls to support our day camp programming.

Please check our MoveLearnPlay.ca site which relaunches on Monday, May 11th, for facility and program updates.

We wish you a safe summer season with your family and look forward to working with you again soon.

Kindest Regards,
Elena
