

Construction Notice: Edmonton Valley Line West LRT

MacKinnon Ravine (Stony Plain Road & 149th Street) Borehole Testing

- Effective January 18, 2021, crews will be verifying local ground conditions by drilling geotechnical boreholes at MacKinnon Ravine in Edmonton.
- Marigold Infrastructure Partners will be taking underground samples that will provide important data to guide the design and construction of the LRT infrastructure.

Construction Area – MacKinnon Ravine (Stony Plain Road & 149th Street)

- The work is taking place near Stony Plain Road and 149th Street near MacKinnon Ravine starting on January 19 until January 21;
- There will be a lane and sidewalk closure along the south side of Stony Plain, from 149th Street East to the Bus Loop across from 147th Street. Signage will notify of lane and sidewalk closures. This may impact motorists, pedestrians, transit users, and/or cyclists;

- Every effort will be made to reduce the impact to the local community and traffic flow;
- Lane closures will only be a single lane, closest to the curb;
- Work time is scheduled to be between 9:00 AM and 3:00 PM; and
- During boring there will be some limited engine noise.

The information in this bulletin is current to January 15, 2021. Please note that all dates are approximate and weather-dependent. We thank you for your patience during construction of the Edmonton Valley Line West LRT.
