

Early Years Information and Screening Sessions in Central/West

Join us to learn more about Early Years and find out if your child is eligible for the program.

About Early Years

- The Early Years Program is for children who are English Language Learners (have a first language other than English) or have mild, moderate or severe delays in their development.
- Classes range from 8 to 16 children learning in a fun, interactive, play-based environment.
- Each class has a team of people who support children in their development, including a teacher, Educational Assistant and Speech Language Assistant.
- Based on each child's individual needs, support is provided to help children work on speech, mobility and everyday tasks. This may include support services from a Speech Language, Occupational or Physical Therapist.
- The program consists of four half-day classes each week, running from Tuesday to Friday. Classes are offered in the morning or afternoon.
- There's no cost to attend an Early Years program.

Sign up for an information and screening session

Find a session date and location that works for you, and call one of the schools listed below to register.

The session will take about one hour. Using toys, books and fun activities, a Speech and Language Pathologist and an Occupational Therapist will assess your child. By the end of the session, you will learn whether your child is eligible for the Early Years Program.
