

THE COMMUNITY OF Grovenor

NEWSLETTER "SUMMER" 2023

Greetings from your Vice Presidents:

Hello Grovenorians,

Thanks to all of our hard-working **Board members** and the many community volunteers who sacrifice their time and energy to organize and manage the many programs that make this such a great community to live in!

On Feb 27, we hosted a **Community Conversation Meeting** at the Community Hall with Ward Councillor Andrew Knack and several

City program staff who were able to answer questions regarding such topics as the 148 Street Replacement Ravine Foot Bridge, Infill processes and bylaws plus related issues, City Budget, Valley Line LRT project, City Urban Planning process, Traffic Safety Measures for Grovenor, Street Labs project, traffic lights at crosswalks, etc.

The Community League once again held a successful planting event at the **Grow Forward Community Garden** on May 20 at Grovenor Park. Thanks to all of the community volunteers who helped make this event such a great success, especially Kathy Hewitt for many hours of hard work in coordinating the event. Besides the article and pictures in this newsletter, regular updates on the community garden are planned to be provided in our social media in future.

Thanks to Kersh Naidoo for coordinating another successful **Big Bin event** for Grovenor on May 6. We filled two bins to help keep our community clean. Also, a big thank you to all of the volunteers who helped the many Grovenor residents who participated and in helping to keep Grovenor clean!

Our board also continues to financially support the **Grovenor School Nutrition Program** throughout the year. We recently presented principal Charlene Roberge with another \$1,000 cheque for this worthy cause.

...2

The Community of Grovenor began way back in 1907 when a solitary home was built on the north bank of the McKinnon Ravine. A colourful and storied history notwithstanding, it was not incorporated as a Community League until 1952. We are a quiet, family friendly neighbourhood with beautiful, tree lined boulevards. The community includes an award-winning school and an active community league. It is bordered by the beautiful McKinnon Ravine and the North Saskatchewan River trail system.

Other program activities committed to by our board in the near term include the Greenshake program, Joint Summer Playground program, support for summer camps in June and July for youth soccer with the Edmonton West Zone soccer Association, two new murals to be painted by local artist Ryan Weisser amongst many other planned activities. Also please review the Fallfest advertisement in this newsletter.

Please take advantage of **free swimming every Sunday from 4 – 6 pm at the Jasper Place** pool by presenting your Grovenor Community League membership pass. Community League memberships can be purchased online at the EFCL website.

If you are interested in a role with the board, volunteering or just wish to listen in, our **Board of Directors' meetings** are held virtually on the first Tuesday of every month from 7:00 to 9:00 pm. We encourage you to attend any of these virtual meetings so that you can see and experience your community in action. Please refer to our website for access details. Please also consider volunteering for a **board vacancy** as outlined in this newsletter. Enjoy your summer!

Yours, sincerely,

Gerry O'Donnell and Kersh Naidoo

GROVENOR FALL FEST

SATURDAY SEPTEMBER 16, 2023

4:00pm – 9:00pm

Fall Fest 2023 will be bringing back the food trucks, music, beer/wine gardens (18+), games, and other fun stuff for us to enjoy at the Grovenor Park. Come on by, catch up with friends and neighbours, meet new friends and neighbours while partaking in celebrating the Community of Grovenor and Community League Day in Edmonton!

This event won't happen without the help of volunteers. Please consider supporting this event and reach out to any one of the Community League Board Members to discuss how you can help make this event a success. If you would like to volunteer for this event, sign up at:

<https://www.signupgenius.com/go/4090C4AADA72DA2FA7-grovenor2>

At this time, the Community League would also like to convey that we are **seeking donations for door prizes** for our event from local businesses and residents. If you are interested in contributing, please

email Kersh at vicepresident_2@grovenor.ca. All donations/prizes will be recognized at the event, in our newsletter and on our website.

This is an outdoor event, seating is limited and please come prepared for the weather! Event may be cancelled in the event of inclement weather at the sole discretion of the Grovenor Community League.

The Board will provide any required training and ongoing support for any new board members. ***Thank you.***

FRONT YARDS IN BLOOM

Time to uncover the gardens because Front Yards in Bloom has started again for the 2023 year! For over 20 years, this program has been encouraging Edmontonians to beautify their yards and communities in partnership with the City of Edmonton, Edmonton Horticultural Society, Canadian Union of Postal Workers, and many other groups and individuals. You can get involved by caring for your own gardens, nominating others' yards, and by signing up to volunteer. Many hands are needed to ensure the hard work of Edmontonians is recognized and you can help us by visiting frontyardsinbloom.ca to volunteer and nominate, until July 4.

Madelen, Social Coordinator

Hello Grovenor Community!

As we approach the end of this school year, we are excitedly planning for year end events as well as looking forward to all the possibilities for the fall. What a wonderful time to be a part of school life!

Events and Information:

- Grovenor School will be hosting a mini Pow Wow on June 14th from 12 - 3pm. All community members are invited! Location: Grovenor Community Hall in the Rink area.
- No school for students June 21
- Skip the Depot Fundraiser continues. To participate:
 1. Download the app and book a pickup using <https://app.skipthedepot.com/grovenorschool>
 2. Place your bags outside
 3. Receive a refund or donate to us!
- Grovenor School recently installed external video surveillance cameras to help keep our school and community safe. Using video monitoring outside our building can help:
 - support the safety measures already in place for student and staff safety
 - prevent minor crimes and mischief like school property damage and theft
 - identify intruders and people suspected of breaking the law

When an incident happens and an investigation is required, the recordings are reviewed by the school principal, staff from Division Security Services, and if necessary the Edmonton Police Service. Let's continue to look out for one another to help keep our school community and neighbourhood safe.

Thank you to everyone for your support in helping students reach their potential as learners and citizens in this wonderful learning community. We wish you a healthy and happy summer!

Yours in partnership,
Ms. Roberge

Edmonton

LICENSE YOUR PET

In Edmonton, dogs and cats six months and older must have an up-to-date licence. This ensures the City can reach you if your pet is found. A licence provides your pet with one free ride home each year and free emergency veterinary care if it is found injured.

Licences are affordable and can be obtained and renewed by mail, in person or at eservices.edmonton.ca.

Licence fees pay for food, shelter, medical care and enrichment for approximately 6,000 lost and stray animals each year at the City's Animal Care & Control Centre. Fees also support responsible pet ownership education and enforcement.

SPAY OR NEUTER YOUR PET

Fixing your pet reduces the city's feral animal populations and helps your pet stay happy and healthy. Spaying or neutering also curbs the animal's urge to roam, inhibits aggression and saves you money through lower pet licence fees.

USE A LEASH

Your pets are safest at the end of a leash. While on public property, your pet must be kept on a leash no longer than two metres. Prevent your pet from roaming out of the yard by securing your property with a fence.

TIP

Dogs are prohibited at all times from school grounds, sport fields, playgrounds and golf courses. Enjoy the benefits of walking your dog at one of Edmonton's 40 off-leash parks!

CONTROL BARKING

Responsible pet owners resolve barking concerns quickly. Dogs bark when they are bored, lonely and when they want to alert their owners. Provide training, exercise and attention to ensure your dog is being a good neighbour.

SCOOP THE POOP

Animal feces is smelly and can be a health hazard. It can also attract unwelcome wildlife, such as coyotes, into your yard.

TIP

Always carry bags with you on walks so you can pick up and dispose of your pet's waste. The fine for not picking up and excessive defecation on private property is \$100.

For more information on responsible pet ownership, visit edmonton.ca/pets.

BICYCLE SAFETY

With nicer weather comes an increase in bicycle traffic. Keep yourself and your family safe this summer with regular bike **tune-ups** and **brake checks**. If riding at night, **use a headlamp, a red tail lamp and one red reflector mounted on the rear of your bicycle**. Adding a **bell** to your bike is also recommended especially when riding on shared pathways and bike paths. When operating a motor vehicle make sure you keep an eye out for increased bicycle and

pedestrian traffic on the roads.

Did you know that **helmets** have an expiration date and lose strength over time? If you notice your helmet shows obvious signs of wear and tear or is more than three years old, it is recommended you replace it.

Help keep your bike safe by using a **high-quality U-lock** and **registering it on bikeindex.org**. **Bike Index is a free service** that the Edmonton Police use to locate and return stolen bicycles to their rightful owners.

Let's keep our neighbourhood safe and look out for one another this summer!

Grow Forward Grovenor 2023

The Grovenor Community Garden was prepped for planting by Gerry O'Donnell. I sent a special thanks to him for making the soil perfect for the many seeds and seedlings that were planted. We were able to purchase all the necessary gardening materials for the Community Garden from **Apache Seed and Home Depot** and received excellent discounted prices from these two community friendly vendors for our seeds,

I am so thankful for the gardening team of **Gerry and Cathy O'Donnell, Simran Bhatia, Madelen Ortega, Lucia Rivera and Henry Wood** for coming out to plant with the skies full of smoke. The team did a great job and the boxes look fantastic. The paths between the boxes have been weeded and new mulch added.

The class of **Grovenor School grade 4 students** planted two boxes and the plants are already coming up. Thank you to **Kerry Donahue** for organizing this class and getting the students excited about planting a garden to use for teaching students about gardening and actually plant the seeds. Thanks to **Kyle Greer** for installing the new **"Video Surveillance Signs"**. We encourage everyone to drop by the garden; your help is always needed.

I welcome any suggestions, and anyone wanting to get in touch, my email is growforward@grovenor.ca.

I hope to see you at the garden!
